Confirmation Date: Saturday, December 3, 2011

The Adult Confirmation program consists of ten classes and one afternoon of reflection. One class may be missed. The afternoon of reflection is mandatory.

Only one sponsor is needed for the sacrament of confirmation. You may have two, but it is not necessary. In the Catholic Church sponsors must be baptized and confirmed and must have received first communion. They do not have to be married; however, if they are married, they must have been married in the Catholic Church.

You must turn in copies of your baptism and first communion certificates at the time of registration. To celebrate the sacrament of confirmation, *married* candidates must be in a sacramental marriage (have been married in the Catholic Church). You may not be civilly married or cohabitating (living together) without being married. If you are civilly married or cohabitating and plan to be married in the Catholic, you must meet with the pastor to set a date and begin the process for getting married by the Church.

There is a \$60 fee for the class.
