

MMG Meeting 11/27/07

Attendance: Frank, Friar Francisco, Raul, Leo, Alex, John A., Andy, Marcelino, Ramona, Albert, Rosie, Alfred, Emily, Enrique, Sylvia, Victor, Zach

Storage Shed: Leo gave the group an update of this project. We now have a foundation plan approved by a structural engineer to get the existing slab approved. The footing around the existing slab will probably cost \$400 to complete. We will set a January date to work on the footing around the slab. More later.

Guad Fest: 11 booths have been sold so far. Still need at least 9 more. Albert will talk to George to make sure we have enough pits. We are planning on making chicken, sausage, beans, and rice for the bbq plates unless George wants to add brisket. We are planning on have pre-wrapped breakfast tacos for the Spanish mass. Everyone needs to try and bring drinks (2 twelve packs of soda and some water). Victor will bring the ice chests. Tables will be set up for eating. We will be prepping on Sat. A sign up sheet was sent around and we currently have the following volunteers.

Saturday – John A, Alfred, Marcelino, Frank, Leo

Sunday – Zach, Raul, Albert, John A, Alfred, Marcelino, Enrique, Leo, Armando B, Armando V, James Candelas, Paul Candelas

We still need a lot of volunteers to make this year a success.

Maria Guadalupe - We need to get everyone together and take a picture of the group to send to our sponsored child in Mexico. We should try to send her a nice Christmas present especially since we missed her b-day. Leo has been paying \$24.00 a month to continue sponsoring Maria. The MMG should reimburse Leo for all expenses he has obtained.

Christmas lights need to be put up. We will meet this Saturday to put up the lights, prep for Sunday, and cut the grass! Everyone try to attend and help where you can.

Fishing Trip – A fishing trip was brought up and was mentioned that Alfred should lead on this project. It was suggested that we plan this trip for late February or March. More will be discussed at our next meeting.
